

THEIS OXHOLM

PROFILE

With a MA and BA from Aarhus University in the study of Religion combined with a leadership education from The Royal Danish Military Academy and a published academic my main competences are rooted in analytical work, statistical analyses and problem solving.

By nature, I am flexible, detail oriented and very outgoing. I thrive in a social working environment where like-minded people strive to improve and learn. I believe everyone can benefit from teamwork and we become better when were challenged by our peers.
